Poliuretano a quote differenziate
Polyurethane foam in different densities

Legno multistrato/massello
Laminate wood /solid wood

A Telaio in ferro verniciato a polvere
Metal frame, powder coated

B Resinato accoppiato/ *Bonded resin layer*

STRUTTURA
Struttura in metallo, verniciata a polvere, con rete elettrosaldata.

SEDUTA
Cuscini di seduta in poliuretano a quote differenziate, con densità 35 HR ecoelast, interamente rivestiti da un falda in resinato accoppiato.

SCHIENALE
Cuscini schienale in poliuretano 25HR rivestito in resinato accoppiato, con sostegni in metallo verniciati a polvere, scorrevoli lateralmente.

TAVOLINO GIREVOLE
Base in MDF, piano in vetro retroverniciato nero.

BRACCIOLI
Braccioli in poliuretano densità 25 HR rivestiti in resinato accoppiato, con innesti in multistrato e sostegni in metallo verniciati a polvere, collocabili su tutti i lati del divano e scorrevoli.

GUANCIALI
A RICHIESTA (70Lx50H): Guanciale 50% in piuma naturale depolverizzata, lavata e sterilizzata - 50% cin fill ball (fibra poliestere siliconata cava a pallino), con inserto in poliuretano HR 25, rivestito da una tela 100% cotone.
A RICHIESTA
(GUANCIALE RELAX 70Lx60H): Guanciale 50% in piuma naturale depolverizzata, lavata e sterilizzata - 50% cin fill ball (fibra poliestere siliconata cava a pallino), con inserto in poliuretano HR 25, rivestito da una tela 100% cotone.

FRAME
Metal frame, powder coated, with welded mesh.

SEAT
Seat cushions in different density polyurethane, with density 35 HR ecoelast, covered with a layer of bonded resin.

BACKREST CUSHION
Back cushions in 25 HR polyurethane covered in bonded resin, with powder-coated metal supports, sliding laterally.

SWIVEL COFFEE TABLE
MDF base, black back-painted glass top.

ARMRESTS
Armrests in 25 HR density polyurethane covered in bonded resin, with plywood inserts and powder-coated metal supports, placeable on all sides of the sofa and sliding.

PILLOWS
ON REQUEST (70Lx50H): Pillow 50% in de-dusted, washed and sterilized natural feathers - 50% cin fill ball (hollow silicone-coated polyester fibre), covered with 100% cotton cloth.
ON REQUEST
(RELAX PILLOW 70Wx60H): Pillow 50% in de-dusted, washed and sterilized natural feathers - 50% cin fill ball (hollow silicone-coated polyester fibre), covered with 100% cotton cloth.

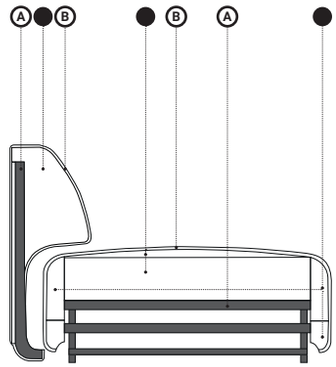
MOVE OUTDOOR

design Danilo Bonfanti

pag. 16



● Gomma drenante/ *Drining polyurethane foam*

Ⓐ Telaio in ferro zincato
Metal frame galvanized

Ⓑ Tessuto traforato sintetico drenante
Knitted shape drining layer

STRUTTURA
Struttura in metallo zincato per esterno con rete elettrosaldata.

SEDUTA
Cuscini di seduta in poliuretano reticolato drenante per esterno (densità equivalente 35 kg/m3) rivestiti da una tela a maglia drenante.

SCHIENALE
Cuscini schienale in poliuretano reticolato drenante per esterno (densità equivalente 35 kg/m3) rivestiti da una tela a maglia drenante, con sostegni in metallo zincati, scorrevoli lateralmente.

BRACCIOLI
Braccioli in poliuretano reticolato drenante per esterno (densità equivalente 35 kg/m3) rivestiti da una tela a maglia drenante, con sostegni in metallo zincati, collocabili su tutti i lati del divano e scorrevoli lateralmente.

GUANCIALI
A RICHIESTA (70Lx50H):
Guanciale in microfibra, rivestito in tela idrorepellente.
A RICHIESTA GUANCIALE RELAX (70Lx60H):
Guanciale in microfibra, rivestito in tela idrorepellente.

FRAME
Metal frame with welded mesh, galvanized for outdoor use.

SEAT
Seat cushions with drining polyurethane foam for outdoor use (equivalent density 35 kg/m3) covered with a knitted shape drining layer.

BACKREST CUSHION
Back cushions with drining polyurethane foam for outdoor use (equivalent density 35 kg/m3) covered with a knitted shape drining layer, with galvanized metal supports, sliding laterally.

ARMRESTS
Armrest with drining polyurethane foam for outdoor use (equivalent density 35 kg/m3) covered with a knitted shape drining layer, with galvanized metal supports, placeable on all sides of the sofa and sliding laterally.

PILLOWS
ON REQUEST (70Lx50H):
Pillow 60x60 cm: in microfiber, covered with waterproof fabric.
ON REQUEST RELAX PILLOW (70Wx60H):
Pillow 60x60 cm: in microfiber, covered with waterproof fabric.
